

Morris Minor Tours

Classic Car Hire in North Yorkshire

Ideal for touring the Yorkshire Moors

BETTY

Available for hire Monday – Friday

For weekend hire please contact us to discuss availability

Betty is a lovely 1960 2 door Morris Minor 1000, an original 4 seat Tourer model (not a converted saloon as many soft top Morris Minors are) she is in very good condition! With a red fold up roof and red interior Betty is basically an original. She is equipped with old style semaphore indicators, clap hands windscreen wipers and a foot operated dip switch for the headlights. She has a proper 4 speed gearbox and clutch and although she does not have power steering she does have modern safety belts and upgraded brakes, including a new servo.

Betty is ideal for indulging in a nostalgic tour around North Yorkshire but she also makes the perfect wedding car!

Available to hire from as little as **£85** for one day

Drivers must be aged 25 or over

We can provide extras of picnic hampers, chocolate gifts, additional insured drivers, ribbon and bow kit at an additional cost

Betty is based at Autism Plus near Gilling East in North Yorkshire.

Individuals with autism are supported to prepare the car for hire. All profits are reinvested into Autism Plus.
