

autism plus
Training Enterprises

**Are you a business or providing a service in the Leeds area?
Are you effectively promoting Equality & Diversity for individuals with autism?**

Our Training Services can help you

Help identify your organisations training needs

Increase your confidence and awareness of Autistic Spectrum Conditions

Develop a solution to suit your specific needs

Enable you to provide effective support and solutions to individuals on the Autistic Spectrum

We provide innovative training packages delivered in partnership with individuals with autism

We are working in partnership with Leeds City Council and Leeds NHS to bring cost effective training solutions to local organisations. To discuss how we can help you contact our team on the details below
